

## Terms and Conditions

**As student you agree with the next terms and conditions to get access to Pscribe:**

- A) Before being registered you have to:
1. complete the registration form,
  2. agree to our privacy terms and conditions by:
    - a. reading the short info under the hyperlink terms and conditions,
    - b. clicking on "I accept the terms and conditions",
  3. push the green button [Register],
  4. go to your own student's mailbox and activate the confirmation link, before you go to login.
- B) While working with Pscribe the following data and information are gathered and stored:
1. personal information you entered on the registration form,
  2. all data while working with Pscribe cases, by example:
    - a. the cases you have worked on,
    - b. time spent on each step in a case,
    - c. the drug-groups and medicines you have chosen,
    - d. the mc questions you have answered.
- C) Authorized teachers and researchers have access to the stored data under the next conditions:
1. they have to comply with the rules of the right to privacy and data protection in:
    - a. the Netherlands; articles 33 & 34 (juncto art. 1 sub i ) & 7 & 8 of the dutch law (Wbp),
    - b. the European Union (EU); primary law (Article 7 and 8 of CFR, & Article 16 of TFEU).<sup>1,2</sup>
  2. presentations and publications of all the processed data are only allowed:
    - a. under the rules mentioned here above in item C1:a,b
    - b. when data are grouped (anonymity) and could not be traced to individuals.
- D) That the legitimate and ultimate goals to collect and analyse these data are:
1. to make the Pscribe system & content more sophisticated,
  2. to improve prescribing of all participants,
  3. for healthy ageing purposes.

<sup>1</sup> For more information, see website: "[http://ec.europa.eu/justice/data-protection/reform/index\\_en.htm](http://ec.europa.eu/justice/data-protection/reform/index_en.htm)"

<sup>2</sup> For an overview, see EU Agency for Fundamental Rights, Handbook on EU data protection law (2014).

**NB!** For comments and questions you could send an email to the Pscribe projectmanager:

Adriaan B.D. van Doorn > by filling in the form "Interested in Pscribe?" (right side of the bottom bar)

in the Main Homepage of Pscribe.
